MERIDIAN, ID—VF Law, a full-service law firm with offices across the Pacific Northwest and the Southwest, is pleased to announce that associate Brittaney Bones has been recognized as an honoree for the 2023 Idaho Business Review Women of the Year Awards. The distinguished recognition celebrates 50 female leaders across Idaho who have made their mark while continuing to pave the path of leaders for the future.

Bones currently serves as Vice Chair for the Legislative Action Committee. She monitors state legislation coming out of Boise. Accordingly, Bones seeks to educate lawmakers specifically on how pending legislation will affect the lives of people living and working throughout the Gem State. She also mentors students at the College of Idaho and has donated her time to the Rock Bottom Foundation, which provides meals to the unhoused.
